Dear Resident,

I am creating and appointing an Ad Hoc Recreation Committee. As per our Charter, I will appoint Chairman Les Foote and members Joe Blados and Matt Walsh to serve on this committee. Traditionally, all council members attend most committee meetings. I have also assigned Special Projects Manager Joe Presot to attend these meetings as well.

By definition, this committee is separate from the 501.C3 Park Board. The Park Board has By-Laws as filed with the State of Ohio. Raising funds and maintaining their status is independent of the Village budget and finances. As the Park Board finances and volunteers dwindled, the village assumed responsibilities to continue our programs.

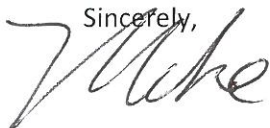

This Ad Hoc Recreation Committee is not limited in their agenda. Topics that have been raised: Upper Park changes and beautification. High cost to parents for their children to play travel leagues. Paver brick fund raising? Individual donations of equipment and landscaping. Replacement of stair cases.

I also hope this group considers construction of a Multi-purpose Recreation Building. I have had potential ideas drawn several times. With a large enough nucleus I believe this can be achieved.

I have scheduled the first committee meeting on Tuesday, August 13<sup>th</sup> at 7pm. These meetings will be posted and open to the public. The sessions will be recorded and minutes provided according to the Sunshine Laws.

I hope you consider joining this group and continue to make Brooklyn Heights all we can make it!

Sincerely,

mayor mike
