Dear Residents:

We are once again participating in the Heritage Home Programsm administered through the Cleveland Restoration Society. Brooklyn Heights has many homes over 50 years old, that may qualify for this program and it includes resident occupied homes, and owners of rental properties.

The most important feature of the Heritage Home Programsm is that it offers free Technical Assistance and advice to the owners of older homes.

Technical Assistance can include:

- Site visits at the property conducted by Heritage Home Programsm staff
- Assistance finding contractors
- Help reviewing estimates from contractors
- Color consults for exterior painting

The free Technical Assistance offered by the Heritage Home Programsm is completely impartial and independent. CRS does not have any products or services that it sells to the homeowners and does not charge the homeowner for the advice.

Another feature of the Heritage Home Programsm is its low-interest equity loan program. Homeowners can use this to cover the cost of maintenance and improvement work. The interest rate on these loans is a fixed rate of 1.85% from First Federal Lakewood or 2.0% from Key Bank. Heritage Home Programsm loans can be for interior as well as exterior repairs, maintenance, additions and modernization projects. Kitchen and bath remodels are two popular uses of Heritage Home Programsm loans. The only things that cannot be done with a Heritage Home Programsm loan are luxury items such as swimming pools or hot tubs, vinyl siding or windows, driveways, and landscaping. For more information, call (216) 426-3116 or visit www.heritagehomeprogram.org.

We hope you will take advantage of this excellent service and, as always, please don't hesitate to call the Village Hall offices with any questions.

Sincerely,

Michael S. Procuk, Mayor
Village of Brooklyn Heights
