The purpose of the Wage & Salary meeting was to discuss the contract extension for Mr. Biskind. Councilman Blados opened the floor for discussion.

Mr. Biskind reported that he received a call from Medical Mutual to offer the village a two-year rate, referred to as a contingency premium. He outlined the offer as follows:

- Medical Mutual will give the village a 9.5% rate adjustment locked in for two years. This offer is only available with no changes made to the current plan.
- At the end of the two year period and after review of any claims, if the premiums were greater than the claims incurred, Medical Mutual will give the village a 5% credit for the entire two-year period.
- It is unknown what a rate increase would be if we do not lock in this offer. It would be higher, most likely in the 10%-15% range.
- The decision must be made and delivered to Medical Mutual next week.
- Council agreed to move ahead with the offer from medical Mutual and Mayor Procuik indicated that he will have the Law Director draft the appropriate legislation.

There were no further questions and the meeting was adjourned.
