CORONAVIRUS PANDEMIC UPDATE in our Village

Governor DeWine has ordered the following directives for the next 3 weeks, but they also predict this will extend beyond into May.

Schools are closed thru April 3rd No gatherings of 100 people anywhere

No visitors allowed in nursing homes

The Agencies of our State are trying to SLOW the spread of the virus. The goal is to prevent a spike that is predicted to occur between now and mid-May. These are unprecedented times and directives can change minute by minute. In Ohio there are 5 people confirmed with the virus and 52 others under investigation. The Health Experts assume there are 100,000 residents currently infected. This number is predicted to double every six days. We MUST do all we can to slow this virus from spreading.
