The purpose of the Parks, Playground & Community Services meeting was to discuss the Art in the Park grant requirements and a resident's programming idea. Councilman Blados opened the floor for discussion.

- Ms. Guilfoyle briefly reviewed the Cuyahoga Art & Culture grant received for the Art in the Park program which is a 50/50 grant. We are set for this year and the 2023 application process in the fall. The CAC has adjusted their focus and our planning needs to adjust to this providing more a diverse culture to the programming. We already have a different variety of presenters, crafts and field trips and will tweak our program to meet the requirements.
- A resident approached me offering to volunteer to do a story time for toddlers, ages 2-4, at the community center once monthly. Parents would bring their children, similar to story time at the local libraries, she would narrate a story, possibly do a small craft and have a snack.
- Mr. Lasky inquired what type of sponsorship she is looking for and it would be to cover the cost of supplies and snacks and having the community center fee waived.
- Mr. Walsh asked about her background, references, and the length of time of each session.
- Ms. Guilfoyle said she would gather the information and send it out to everyone.

There were no additional questions and the meeting was adjourned.
