BUYING OR SELLING ON LINE ? Beware of scams

The internet makes it easier to buy or sell. Unfortunately, it also makes it easier for people to rip you off.

The best thing to do if you get an e-mail from a would-be scammer is to delete it and not respond.

Poor spelling, odd phrasing, and a lack of knowledge about the item you are selling are common signs of mass-produced scam e-mails.

If you're selling: The fake check scam

You list your item for sale. Buyer offers to pay the full asking price & says he'll take care of shipping. The buyer says he has a cashier's check for more than the amount of the purchase price. He wants you to deposit the check & then wire the extra money to him via Western Union or a similar service.

The scammer is hoping you'll wire the cash before you learn the check is a forgery. Some forgeries are surprisingly good & may even use correct bank routing numbers to convince you, & your bank, that the check may be genuine.

If you deposit the check, the bank is required by law to make the money available to you after a certain time period. But that doesn't mean the check is good. It may be weeks or months before the bank determines the check is a fraud. By then, the money you wired to the scammer is long gone.

If you're buying: Fraudulent escrow scams

In this scam, the seller asks for payment to be deposited with an on-line escrow company. Unfortunately, the escrow company is part of the scam. Once money is deposited, often by Western Union or another service at the request of the seller,

the seller & the escrow company vanish, leaving the buyer with nothing.

The bottom line: Follow these tips

- ♦ If the deal looks too good to be true, it probably isn't true.
- ♦ If the buyer appears to know nothing about the item you're selling & asks no questions about it, he's probably not interested in it. Scammers don't want your item. They want your cash.
- ♦ Poor spelling & odd phrasing are often signs of an overseas scammer.
- ♦ Remember, you can always insist that the final deal be made in person.
- ♦ Don't accept a check for more than the selling price. Avoid complicated payment schemes.
- ♦ Don't assume just because you have the party's cell phone number that it is legitimate. Lot of these cell phones are pre-paid with stolen credit card numbers. There is no way of tracing it back to the person who committed the scam.
- ♦ Most escrow sites on the internet are fraudulent. Use a real & reliable escrow service that you designate. Research a service well before sending any money.
- ♦ Research the check with the bank on the check. Don't use the phone number provided on the check. Look it up yourself. They usually can detect fraudulent checks faster than your bank.
- ♦ Above all, use common sense. Don't let your desire to make a sale blind you to obvious signs that something is fishy.

Call Dennis Derbin at our Brooklyn Heights Police Department at 216-741-1327 with any questions.

COMMUNITY FUN DAY!

The (First Annual?) Brooklyn Heights Community Fun Day was quite the success! We had a gorgeous day, and there was a really good turnout! Everyone had a great time - lots of games, raffles, prizes, movie and more. Most importantly, it showed that so many of us still treasure the opportunity to meet up with old and new village friends!

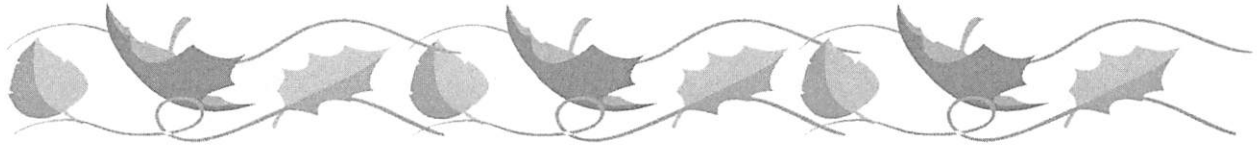

Sincere thanks are in order for everyone who helped make this possible!

- Ed Hatgas and the Service Department, with special thanks to Tom Hochman!
- Thea Guilfoyle and the Community Service Department, with a special nod to Donna Algeri!
- Of course, the Police and Fire Departments, AND the Park Specials!
- Mayor Mike – this could not have been successful without his support!
- The Women's Service Club ladies, who did so much, including the 50/50 and serving up a LOT of fun food!
- Joy Foote, whose Antique Tool Presentation was a total hit with everyone!
- Our village songbird, Darla Bundus – Her performance was phenomenal.... Everyone loved it!!!
- And OF COURSE, ALL of our generous volunteers who helped in a thousand and one ways!

Please note, though: If this is to continue, there needs to be much more interest in volunteering to make it happen. It's the downfall of many awesome events. Please contact the Park Board if you want to help next year, have comments or ideas – or even want to take charge of it! Keep in mind, this event is sponsored by the Park Board, but not run by it. It won't happen if others do not step up! Don't depend on someone else: Tag – you're it!

OPERS CHANGES ARE COMING

IMPORTANT INFORMATIONAL SESSION, SEPTEMBER 15TH

LUNCH AT NOON, PRESENTATION AT 1:00 P.M. BY KATHLEEN KAPUSTA

If you are a member of the Ohio Public Employees Retirement System (OPERS), you should already know that your current Humana Advantage Plan for medical coverage will be ending on December 31, 2015. Beginning in October, OPERS retirees, age 65 or older, must select an alternate health care plan. To help you do so, OPERS has established a Connector program through One Exchange.

With the assistance of the Connector, you will be able to select a MedSup/drug plan or an Advantage plan offered by Humana and several other companies. You must work with the Connector to receive the OPERS allowance into your Health Retirement Account (HRA). All conversations with the One Exchange Connector will be conducted by phone.

This informational session will be presented by Kathleen Kapusta, the Village Social Worker. The focus will be on Medigap plans, Part D and Advantage plans. It is designed to provide you with background information, so that you will be better prepared for the decision-making process, when you make contact with the OPERS Connector

The session will be held on Tuesday, September 15th at the Community Center. Enjoy lunch and social at Noon and the presentation will begin at 1:00 p.m. **Please register by calling the Community Services office at (216) 739-3702.**

SEPTEMBER

DON'T LABOR OVER THE LAWN

- Aerate to introduce oxygen and reduce the incidence of thatch in the lawn. Both mechanical (core) and biological (liquid) methods are effective.
- Lawn seeding can be done until the end of the month. Be sure seed is in direct contact with the soil for best germination.
- If you aren't seeding your lawn this Fall, apply corn gluten meal to thwart Fall weed seeds.
- Continue to mow high at 3 or 4 inches.
- Monitor for grubs and animal activity; skunks dig to find grubs.

Did You Know?

Up to 6 million birds die each year as a direct result of exposure to lawn care chemicals. Be a friend to the birds and use less chemicals.

Dear Brooklyn Heights Resident,

Additional Plastics Now Recycled - In the past only plastic containers labeled #1 (PET) or #2 (HDPE) could be recycled. Kimble is now accepting "rigid" plastic containers labeled #3- #7, in addition to #1's and #2's. Most plastic products are labeled on the bottom with a recycling symbol consisting of arrows that cycle clockwise to form a rounded triangle, and enclosing the number 1, 2, 3, 4, 5, 6, or 7. Any rigid food container or other consumer product container labeled in this fashion can now be included for recycling. Examples of plastic containers previously excluded that can now be recycled include salad dressing bottles, peanut butter and jam jars, juice bottles, squeezable bottles (ketchup and mustard), clam shell food containers, microwavable food containers, yogurt containers, margarine tubs, baby milk bottles, shampoo bottles, cooking oil bottles, hand soap bottles, apple sauce cups, cool whip containers, and plastic flower pot containers. Plastic items not acceptable include plastic bags, shrink wrap, Styrofoam, toys, motor oil and antifreeze containers. As you can see, there is a tremendous amount of material which can be diverted from your rubbish cart to your new 65-gallon two wheeled recycling cart. Recycling a ton of plastic saves the energy equivalent of 1,500 gallons of gasoline!

'Alumni Association

Dear CHHS Alumni:

The CHHS Alumni Association is a group of graduates who are accomplishing much that is beneficial for our school, the students, and the alumni. We wish to take this opportunity to persuade you to join us and to be a part of all that is happening. The list of our accomplishments is very impressive and includes: publication of the Alumni Newsletter, a master directory and email list of all alumni, seven Endowed Scholarships awarded each year since 1992, fundraising to perpetuate the scholarships, the CHS Archives/Memorabilia collection, and social events.

You will receive information and updates on all Alumni activities in your Alumni Newsletter. You will enjoy reading about your former classmates and may want to take part in some of the planned activities. Due to publication and postage expenses we are only able to send the Newsletter to paid members. Membership is ONLY \$10.00 (per member) for 4 years!

The officers and trustees will continue all efforts to keep our Alumni Association organized, accomplished and innovative. Please show your support of our efforts with continued membership. The existence and success of our CHHS Alumni Association depends entirely on its membership.

We look forward to hearing from you.

Sincerely,

Linda Geca Barath, '75
