Ad Hoc Recreation Committee

The ad hoc recreation committee met on Tuesday, October 8th. After reviewing the minutes from the previous meeting the committee focused on the best way to move forward. There was discussion regarding the various ideas presented to date from the past meetings and it was decided that removal of the abandoned stairs between pavilion 1 and the park entrance road was a logical place to start. It is hoped that the Men's Service Club can do the removal. The committee also discussed the process of funding the removal of the old ice skating rink. Additionally, Chelsey Kovar shared information regarding a NatureWorks grant. The next meeting is to be determined.

HOLIDAY SAFETY TIPS FOR SAFE AND HAPPY HOLIDAYS

This holiday season, don't let the spirit of giving lull you into giving burglars, muggers & pickpockets a better chance to do their dirty work. Crooks love the holidays as much as everyone else, but chiefly because it's an opportune time for crime. Homes jam-packed with glittering gifts. Stores, malls & downtown streets teeming with unsuspecting shoppers. People rushing around, stressed out & careless, looking for last minute gifts, trying to get everything done. It's enough to make a crook giddy with holiday joy.

Here are some tips on how to celebrate safety this holiday season:

IF YOU'RE TRAVELING

Get an automatic timer for your lights. Ask a neighbor to watch your home, shovel snow & park in the driveway from time to time. Don't forget to have mail & newspaper delivery stopped. If it piles up, it's a sure sign you're gone.

IF YOU'RE OUT FOR THE EVENING

Turn on lights & a radio or TV so it looks like someone is home. Be cautious about locking doors & windows when you leave, even if it's just for a few minutes. Don't display gifts where they can be seen from outside.

IF YOU'RE SHOPPING

Stay alert & be aware of what's going on around you. Park in a well-lighted space & be sure to lock the car, close the windows, & hide shopping bags & gifts in the trunk. Avoid carrying large amounts of cash. Pay with a check or credit card whenever possible. Deter pickpockets & purse snatchers.

Don't over-burden yourself with packages. Be extra careful with purses & wallets. Carry a purse close to your body not dangling by the straps. Put a wallet in an inside coat or front pocket.

Shopping with kids? Teach them to go to a store clerk or security guard if you get separated.

Last but not least, don't let holiday stress get the best of your holiday spirit. Make time to get together with family friends & neighbors. And think about reaching out in the spirit of the season & helping someone who's less fortunate or lonely. Do your part to make the holidays a safe & happy time for everybody .. Except criminals.

November is National Diabetes Awareness Month

There isn't a cure yet for diabetes, but a healthy lifestyle can *really* reduce its impact on your life. What you do every day makes the difference: eating a healthy diet, being physically active, taking medicines if prescribed, and keeping health care appointments to stay on track. More than 30 million people in the United States have diabetes, but 1 out of 4 of them don't know they have it. There are three main types of diabetes: type 1, type 2, and gestational diabetes, diabetes while pregnant. Type 2 diabetes risk factors include:

- Having prediabetes (blood sugar levels that are higher than normal but not high enough to be diagnosed as diabetes).
- Being overweight
- Being 45 years or older
- Having a parent, brother, or sister with type 2 diabetes
- Being physically active less than 3 times a week
- Ever having gestational diabetes or giving birth to a baby who weighed more than 9 pounds

You've Been Diagnosed with Diabetes. Now What? It's a balancing act—but you can do it. Meeting with a diabetes educator is a great way to get support and guidance. Speak with your physician regarding a referral to a diabetic educator. You will learn about how to:

- Follow a healthy eating plan
- Get physically active
- Test your blood sugar
- Give yourself insulin by syringe, pen, or pump, if needed
- Monitor your feet, skin and eyes to catch problems early
- Get diabetes supplies and store them according to package directions
- Manage stress and deal with daily diabetes care
- Medicare Covered Supplies & Services

To find a contract supplier, call 1-800-MEDICARE (800-633-4227) or visit www.medicare.gov/supplier. Alternatively, Medicare will still cover your diabetes testing supplies if you buy them at a local Medicare-enrolled pharmacy or other store. But it is always best to verify Medicare coverage before you buy. For additional information on Medicare coverage of diabetic supplies and services, refer to www.medicare.gov/pubs/pdf/11022-Medicare-Diabetes-Coverage.pdf

FRATERNAL ORDER OF POLICE

SHOP WITH A COP RAFFLE

Local families experiencing economic hardships can't always provide their children with their own celebration of Christmas. The Shop With a Cop program joins these children with local police officers, providing the children with money to shop for Christmas presents for their families and themselves. Participating officers will transport the kids in a police motorcade to Target for their shopping experience. The children will each have a \$150 allowance for shopping. The group will meet for a pizza party after shopping!

The Brooklyn Heights Police Department along with the Fraternal Order of Police is sponsoring a raffle with the proceeds going to The Shop With a Cop program. Raffle tickets are \$1.00 each or 6 for \$5.00 and are available at the police station. Tickets and money need to be turned into the police station by the morning of December 6, 2019.

Please do what you can to help a child have a memorable Christmas.
