Saturday, October 18

# *The Breeze*

Happy Halloween FRIDAY, October 31

**Sponsored by Brooklyn Heights Service Clubs**

**Vol. 62 No. 14**

**October 11, 2014**

## **VOLUNTEERS NEEDED FOR LEAF RAKING PROJECT!!**

The Scouts & Students for Seniors Leaf Raking program is scheduled for Saturday, November 8th - weather permitting. Many volunteers are needed and community service hours are available! Register as a group or as an individual by calling (216) 739-3702 - everyone is welcome!! Bring your own rake and/or leaf blower and see attached flyer for details. Mayor Mike is donating pizza and pop for everyone. Your continued support is appreciated!

## **10" HANGING BASKETS (EMPTY) WANTED**

If you are throwing out your 10" plants, we want the baskets. The Women's Service Club will take them, wash and sterilize them and use them for our annual Christmas Fruit Baskets. They are the perfect size and we use about 20 per year. Please call Jen at 216-577-5078 to arrange a pick-up. Thank you.

## **BREEZE DELIVERY**

We are compiling a list of names of young adults who are interested in delivering the Breeze once a month. Ages 14 & older, if interested, please call Carol Rucinski at 216-661-4449 to be put on the list. As openings become available you will be called and you can decide at that time if you are still interested. This is a paid position.

## **SHRED-IT DAY THANK YOU**

Thank you to everyone who participated in our 6th Shred-it Day. It was a success with more than 4500 pounds of paper being recycled. Our Food Pantry was a huge benefactor thanks to all of the generous donations. Thank you also to Dianne Toronski for bringing us coffee and donuts. This event was funded by a grant from the Cuyahoga County Solid Waste District and manned by the Women's Service Club members. We hope to hold another Shred-it event in May, 2015.

## **VILLAGE HALLOWEEN NOTICE**

Halloween Trick or Treat Night will be celebrated on Friday, OCTOBER 31 from 6:00 p.m. to 8:00 p.m. Stay safe!!

**BREEZE DEADLINE OCT. 30 BY 4 P.M.  
NEXT ISSUE OF BREEZE NOVEMBER 8**

## **OBITUARY**

**WALTER "WATTY" ZAWISLAN**, father of Joseph (Deborah), grandfather of Jonathan, passed away September 10. Walter was a U.S Army Veteran of WWII and was a member of the Brooklyn Heights Men's Service Club. Arrangements were by Rybicki & Son Funeral Home. Services were at St. Michael Church on September 15. Walter will be greatly missed by his many friends and neighbors in Brooklyn Heights.

The Breeze extends sympathy to our bereaved family.

**SAFETY COMES FIRST WHEN YOU EXPERIENCE A BLOW OUT**

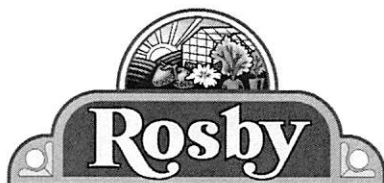

Having a flat tire when driving is always a problem. But experiencing a flat or blowout while traveling on a highway or other high speed roadway can present special dangers. The National Safety Council offers these tips for coping with tire trouble:

At the first sign of tire trouble, grip the steering wheel firmly. Don't slam on the brakes. Let the car slow down gradually by taking your foot off the gas pedal. Work your vehicle toward the break down lane or, if possible, toward an exit. If it is necessary to change lanes, signal your intentions to the drivers behind you and do so smoothly and carefully, watching your mirrors and the traffic around you very closely. Steer as your vehicle slows down. It is better to roll the car off the roadway when you have slowed to 30 miles per hour and into a safe place than it is to stop in traffic and risk a rear-end or side collision from other vehicles. It is important to have the car well off the pavement and away from traffic before stopping. You can drive on a flat if you take it easy and avoid sudden moves. Don't worry about damaging the tire. It is probably ruined anyway. When all four wheels are off of the pavement, brake lightly and cautiously until you stop. Turn your emergency flashers on. Once you are off of the road, put reflector triangles behind your vehicle to alert other drivers. Keep your emergency flashers on. If you know how to change a tire, have the equipment and can do it safely without being near traffic, change the tire as you normally would.

Remember that being safe takes precedence over your schedule or whatever other concerns you may have. Changing a tire with traffic whipping past you can be nerve-wracking at best and dangerous at worst. Therefore, it may be best to get professional help if you have a tire problem or other breakdown on a multilane highway.

Call Dennis Derbin at our Brooklyn Heights Police Department  
at 216-741-1327 with any questions.

BROOKLYN HTS., OH 44131

October 2, 2014

Dear Resident,

Last year, the inaugural Brooklyn Heights On the Run 5k/1-mile walk was a great success, with 150 participants and a profit of \$5,970. These proceeds went directly to the Park Board organization, which funds the Breeze, Easter Egg Hunt, Fall Bonfire, and Christmas Stocking events. Without the support of our sponsors and participants last year, these events would have been at risk for cancellation this year. Fortunately the run/walk was successful enough to avoid that, and we hope with your support, we can continue to offer these programs for more years to come!

This year, the second annual Brooklyn Heights On the Run will be held on Saturday, October 11<sup>th</sup>, starting at 9am. In order to do this, **Schaaf Road will be closed from approximately 8:45am until 10am on Saturday, October 11<sup>th</sup>**. If you should need to leave your home in this window, please make arrangements to park your car at the Community Center the Friday prior to the race. You can call our Community Services Department at (216) 739-3702 Monday-Friday 8am-4:30pm to schedule a pickup from your house during the street closure. If you need transportation at the last minute out of or into the closed road area on the morning of the race, please contact Tim Clymer at (216) 404-6036 or Mike Lasky at (216) 470-9652.

If you wish to support the event, your support can come in many shapes and forms:

- You can participate in the run or walk, by visiting [www.brooklynhts.org/5k](http://www.brooklynhts.org/5k) and signing up online or printing a registration form and mailing it in,
- You can cheer for the runners & walkers along the street on Schaaf Road,
- You can volunteer to assist with registrations, course navigation, course set-up/clean-up, or timing & scoring,
- You can purchase a sponsorship, with the lowest donation starting at \$100, or
- You can donate a door prize towards the post-race raffle (last year, we had door prizes ranging from free Dairy Queen Blizzards to \$50 restaurant gift certificates).

If you are interested in contributing to the event or volunteering your time, please contact Mike Lasky or Tim Clymer. We hope to make this year's event even better than the last!

**Schaaf Road will be closed from approximately  
8:45am until 10am on Saturday, October 11<sup>th</sup>**

## **FALL FOOD DRIVE - WEDNESDAY, OCTOBER 22ND**

Once again we are planning to collect much needed donations for the Project Hope Food Pantry. The food drive will be held one day, on Wednesday, October 22nd, during business hours. We will pick up donations from front porches throughout the day. Please see the attached flyer for details outlining the most-needed items. Your assistance is greatly appreciated!

## **SENIOR LEAF RAKING EVENT, NOVEMBER 8TH**

The Scouts & Students for Seniors Leaf Raking program is for seniors, age 65+ who have no one else to rake the leaves from their yard. The leaves will be raked by volunteers from the front and back yard, to the curb for village pick up. It will be held on November 8th - weather permitting. Senior sign-up deadline is November 1st. **Volunteers are needed and community service hours are available!** See attached flyer for details. Your continued support is appreciated!

## **NATIONAL MEMORY SCREENING DAY, NOVEMBER 18TH**

Residents who want a status check on their memory can take advantage of free, confidential screenings on November 18th at the Community Center at the bi-monthly senior social. National Memory Screening, an annual initiative of the Alzheimer's Foundation of America (AFA) is designed to promote proper detection of memory problems and strategies for successful aging. The Community Services Department, will hold memory screenings at the Senior Social, 12:30 - 1:30 p.m. on November 18th. The event features a face-to-face screening, which takes only about five minutes, and consists of a series of questions and tasks. It is administered by our social worker and is completely confidential. The results do not represent a diagnosis, and AFA advises those individuals with below-normal scores or those who have normal scores but are still concerned, to follow up with a qualified healthcare professional. You must pre-register by calling 739-3702. Transportation is available.

## Senior Socials

Community Services holds a senior social twice-monthly at the Community Center. All seniors are welcome and encouraged to attend! Socials are from Noon to 2:00 p.m. unless otherwise noted. Please RSVP by calling 739-3702!

Tuesday, October 21st	Trip to Boyert's Farm & Greenhouse in Medina	Bob Evans Restaurant
Tuesday, November 4th	Lunch & Movie @ Cinemark (due to Elections) Vote @ Community Center after if requested	Lunch @ Local Restaurant TBA

### **WHAT MEDICARE DOESN'T COVER**

We all know that Medicare is the government sponsored health insurance plan for individuals 65 years of age and older, or on Social Security Disability for at least two years. What many do not know is what Medicare does not cover, because there are uncovered health expenses for those on Medicare. You must be aware that you still have co-payments, monthly premiums and coinsurance costs.

What are some of the costs not covered with original Medicare (Part A and Part B)? Part A is largely for hospital coverage, but also includes some nursing care and hospice costs. Part B covers physician appointments, labs and testing and medical equipment. Some of the uncovered items are: dentures, hearing exams and aids, eye exams related to corrective lenses, non-skilled long-term care and custodial care. Custodial care (such as bathing, feeding and helping patients in and out of bed) is only covered while you also need skilled care. It is important to realize that even skilled care is only covered for a limited time. Medicare pays all costs for the first 20 days after a qualifying medical event, but there are coinsurance charges for days 21 to 100, and nothing after that. Your best protection when it comes to health care costs is to be an informed consumer and to thoroughly evaluate what option is best and affordable for you.

### **SENIOR SNOW REMOVAL**

Seniors, age 65+ with no household member under the age of 65, and, disabled residents (with proof from a medical doctor) can apply. HEAP-approved applicants will receive a discount. The HEAP discount will only be applied once your HEAP letter is received.

A contract is still under consideration and we will notify everyone as soon as possible.

### **FOLLOW US ON TWITTER!**

Twitter is a service that allows users to send and read short messages called "tweets". It's a great way for friends, family and communities to communicate and be connected through an exchange of quick, short messages. You can utilize Twitter through any internet connection or a smart phone. To follow Brooklyn Heights, find us at @BHVillageOH. For more information on Twitter, visit <https://support.twitter.com>.

### **PRESCRIPTION COVERAGE**

Medicare Part D, remember D for Drugs, is the Prescription Coverage portion of Medicare; which began in 2006. It is not something you receive automatically, you must apply for Part D coverage. Just as important, you need to review your Part D coverage on an annual basis! Each year, between October 15<sup>th</sup> and December 7<sup>th</sup>, there is open enrollment for Medicare Part D. What does this mean to you?

- Complete the Sheet, information needed to review the available Part D plans
- Turn this in to Community Services as soon as possible
- It will be evaluated in the program on the Medicare.gov website
- You will be advised of your options

# YOUTH BASKETBALL COACHING AND SKILLS CLINICS

Cuyahoga Heights High School Head Basketball Coaches Al Martin and Michael Tartara will hold clinics at the Valley View Community Center to help coaches, parents, and players prepare for the upcoming season. There are two separate clinics scheduled in November:

- On Sunday, October 26, Coach Martin and Coach Tartara will hold a clinic for ANY adult interested in learning more about basketball skills and how to teach proper techniques to young players. Any adult who has a child interested in basketball is encouraged to attend this session to learn how to help your child develop fundamental skills. This clinic will provide great information and ideas for beginners and experienced coaches alike. **All adults who attend this session can enter their child in a drawing to be conducted the following week in which one female and one male will be chosen to serve as “Honorary Redskins” at a Varsity Boys or Girls Basketball game this season.**
- On Sunday, November 9, boys and girls in grades 3 through 6 will attend a clinic to learn basic fundamentals of the game. The adults who attended the clinic on November 3 will be encouraged to help Coach Martin and Coach Tartara instruct on this day to get everyone ready for the season.

**Please return completed registration forms with payment to:**

# Brooklyn Hts. Fire Department

Dear Village Residents,

Forgetting to turn your clock **BACK** on Sunday, November 2, 2014 could cost you some valuable time; forgetting to change the smoke detector's battery could cost you your life! The Brooklyn Heights Fire Department reminds you to change your smoke detector batteries Sunday, Nov. 2<sup>nd</sup> as you reset your clocks back from daylight savings time. The time changes in the fall and spring coincide with recommended battery life in a smoke detector. Smoke detectors are present in 92% of American homes, but **nearly one-third don't work because of worn or missing batteries.** As part of our ongoing effort to make certain that every village household has a working smoke detector, the fire department will be accepting any resident's request to have their smoke detector batteries replaced. More importantly, if you do not have a working smoke detector, **please buy one and we will install it for you.** If you would like to participate in this program, please fill out the form below and drop it in the payment box located to the left of the main entrance of our municipal building (345 Tuxedo Ave.). I will personally be in contact with you to schedule a date and time.

Sincerely,

Donna Tesar, Fire Department Administrative Assistant

Autumn is a busy and beautiful time of year, but it can also be hazardous. Carbon monoxide isn't the only danger associated with autumn, which is also a peak period for fires and some types of injuries. Now is the time to start getting your heating appliances ready for the cooler weather. To simplify home safety measures this season, use these fall safety tips:

1. **GET A SENSOR:** During cold weather, your furnace will be running and your windows will be closed, so you should install a carbon monoxide detector near your home's bedrooms.
2. **SERVICE YOUR FURNACE:** Before the heating season, a qualified heating technician should service your furnace to ensure that it will operate safely and efficiently.
3. **CHECK THE CHIMNEY:** Inspect your chimney to make sure it is unobstructed. Because many furnaces vent into the chimney, it must be free of debris to allow products of combustion to vent to the outside atmosphere. If you will be burning wood in a fireplace, have the chimney inspected to make sure it is in good condition and free of creosote buildup.
4. **CLEAR THE AREA:** Make sure the area around your furnace is clear for good air circulation. Keep all flammable materials, such as clothing, cardboard boxes, paint thinners, fuels and solvents, far away from the furnace.
5. **NEVER HEAT WITH AN OVEN:** On chilly autumn mornings, avoid the temptation to warm the kitchen with a gas range or an open oven door. The unvented products of combustion can quickly build to toxic levels.
6. **WATCH SPACE HEATERS:** Be cautious with portable heaters or space heaters, making sure to follow manufacturer instructions for safe venting and use. Place them at least three feet away from any combustibles, such as wallpaper, bedding, draperies, clothing and furniture. Never leave them operating when you are away from the room or asleep. Don't leave children or pets unattended with space heaters, and never use them to dry clothing, shoes or mittens.
7. **LOOK UP:** Avoid overhead power lines. Before you work, look up from your work area to inspect for overhead power lines. Then make sure to stay clear of electrical lines when working with ladders, pruning trees, etc.
8. **DIAL BEFORE DIGGING:** Anytime you plan to dig, whether as part of a construction job or homeowner project (such as putting up a fence or basketball hoop, planting trees or shrubs, building a home addition, deck, etc.) please call your local utilities company.
9. **LIGHT FOR SAFETY:** As days grow short, make sure outdoor lighting is in good working order. Good lighting can protect you against crime and falls or accidents caused by darkness. Inspect fixtures and outlets for weather damage and replace burned-out bulbs.
10. **CHECK YOUR SMOKE DETECTORS:** Make sure you have a working smoke detector by changing the batteries when you change the time. A working smoke detector increases your chances of escaping a fire in your home by over 50 percent.
11. **PLAN AN ESCAPE:** Plan and review escape routes. Have at least two ways to get out of every room. Agree on a meeting place outside where everyone can gather after they escape. Practice your escape.
