2015 SCHOLARSHIP WINNERS TURN IN YOUR GRADES GET A CHECK. (IT'S THAT SIMPLE)

Attention all 2015 Brooklyn Heights Men's Service Club winners. It's time to turn in your first semester or first quarter grades and redeem your \$500 scholarship. There are several ways to do this and all of them are simple and relatively painless.

1. Mail John Black a copy of your grades to 5178 West 5th Street, Brooklyn Heights, OH 44131.
2. E-Mail John Black a copy (PDF's recommended) of your grades at blackjo29@gmail.com. Please label the email "BH Men's Club Scholarship. Grade Submission".
3. Please note - whatever you provide must show the name, logo or seal of the university, college or training school you attend. Please do not send instructions on how we can obtain your grades from a web-site or ask us to go to a web address. Doing so will only delay your check. Checks will only be made out to the individual scholarship recipient.

Questions, call John Black at 216-374-4518 or Tim Clymer at 749-4300.

THE DANGERS OF DRINKING . . . Alcohol is number one

Alcohol is the number one drug of choice for teenagers. Alcohol related car crashes are the number one killer of teenagers in the United States. Alcohol is the number one drug problem in America. If you think it can't happen to you, look around. Check your school's yearbooks for the last 10 years. How many have been dedicated to a student who was killed in a drunk driving crash?

Ask your friends how many people they know who have had bad things happen to them when they were drinking. You don't even have to be the one doing the drinking - most teenage passengers deaths are the result of alcohol-impaired teenaged drivers.

HOW DOES ALCOHOL AFFECT YOU?

- ♦ You see double, speech slurs, you lose your sense of distance.
- ♦ Alcohol loosens inhibitions: you make bad judgments that can result in car crashes, unwanted pregnancy, sexually transmitted diseases, or rape.
- ♦ Significant proportion of violent crimes and vandalism among & by youth involve alcohol.
- ♦ Using alcohol can cost you your freedom. You can be grounded by parents, lose your driver's license, or even end up in jail.

BE AWARE OF ADVERTISING

Take a look at how the alcohol industry is trying to convince people to use its products.

- ♦ Wine coolers are displayed in stores next to fruit drinks. Maybe they don't think you'll notice the difference between a fruit drink & one with alcohol.
- ♦ Different brands of beer & other alcoholic beverages are slipped into the movies you watch. They think if you see your favorite actor drinking it, you will too!
- ♦ The models on the beer commercials are always young, thin & more beautiful. But alcohol has plenty of calories & little nutritional value. Drinking it will not make you younger or more beautiful.
- ♦ Advertisements feature celebrities & sports figures. But drinking will not make you famous or athletic.
- ♦ Alcohol advertisers are not trying to be more responsible by telling you not to drink & drive. But drunk driving is not the only way alcohol can affect your life.

- ♦ Advertisers hope you won't stop & think when you see their ads. Don't be conned. Use your best judgement & learn the facts.

SOME MORE FACTS ABOUT ALCOHOL

- ♦ Drinking coffee, taking a cold shower or breathing fresh air will not sober you up. The only thing that sobers you up is time.
- ♦ One beer, one shot of whiskey, & one glass of wine all have the same amount of alcohol. Don't fall for the notion that beer & wine are less intoxicating than hard liquors.
- ♦ Only 3-5 percent of alcoholics are what we think of as bums. Most alcoholics are just like the people you know. Anyone can become an alcoholic - young, old, rich, poor, married, single, employed, or out of work.
- ♦ The earlier young people start drinking & using drugs, the more likely they are to become addicted.
- ♦ Alcohol ages & damages the brain.

TAKE ACTION

- ♦ Make a pledge with your friends that you will help each other avoid alcohol & other drugs.
- ♦ If someone you know has an alcohol or other drug problem, encourage them to get help.
- ♦ If you belong to any club or other youth group, suggest that its members organize an anti-drinking project.
- ♦ Make a presentation to your school's PTA meeting about how teachers & parents can help kids avoid drugs & alcohol.
- ♦ Ask for help if someone is pressuring you to try alcohol or other drugs. Talk to someone you trust.
- ♦ Organize alcohol-free post-prom & graduation parties.

FRATERNAL ORDER OF POLICE

SHOP WITH A COP RAFFLE

Local families experiencing economic hardships can't always provide their children with their own celebration of Christmas. The Shop With a Cop program joins these underprivileged children with local police officers, providing the children with money to shop for Christmas presents for their families and themselves. Participating officers will pick up the children at their homes and transport them to a local retailer for their shopping experience. The children will each have a \$150 allowance for shopping. The group will meet for a pizza party after shopping. The officers will then return the children to their homes following the day's activities.

The Brooklyn Heights Police Department along with the Fraternal Order of Police is sponsoring a raffle with the proceeds going to The Shop With a Cop program. Raffle tickets are \$1.00 each or 6 for \$5.00 and are available at the police station. Tickets and money need to be turned into the police station by the morning of December 8th.

Please do what you can to help a child have a memorable Christmas.

Dear Brooklyn Heights Resident,

Additional Plastics Now Recycled - In the past only plastic containers labeled #1 (PET) or #2 (HDPE) could be recycled. Kimble is now accepting "rigid" plastic containers labeled #3- #7, in addition to #1's and #2's. Most plastic products are labeled on the bottom with a recycling symbol consisting of arrows that cycle clockwise to form a rounded triangle, and enclosing the number 1, 2, 3, 4, 5, 6, or 7. Any rigid food container or other consumer product container labeled in this fashion can now be included for recycling. Examples of plastic containers previously excluded that can now be recycled include salad dressing bottles, peanut butter and jam jars, juice bottles, squeezable bottles (ketchup and mustard), clam shell food containers, microwavable food containers, yogurt containers, margarine tubs, baby milk bottles, shampoo bottles, cooking oil bottles, hand soap bottles, apple sauce cups, cool whip containers, and plastic flower pot containers. **Plastic items not acceptable include plastic bags, shrink wrap, Styrofoam, toys, motor oil and antifreeze containers.** As you can see, there is a tremendous amount of material which can be diverted from your rubbish cart to your new 65-gallon two wheeled recycling cart. Recycling a ton of plastic saves the energy equivalent of 1,500 gallons of gasoline!

SERVICE REMINDERS

Your collection day remains the same; please remember to set all your residential rubbish and recyclable materials at the curb by 7:00 a.m. on your collection day.

Kimble does not operate on the following Holidays: New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, and Christmas Day. If a Holiday falls on a weekday, service for that day and the rest of the week will be delayed by one day. If a holiday falls on a Saturday or Sunday, your collection day will not be delayed (collection day will remain the same).

If you should have any further questions or need further assistance in signing up for service please e-mail us at customerservice@kimblecompanies.com or contact us by phone at 1-800-201-0005, Monday through Friday, between the hours of 7:00 a.m. and 5:30 p.m., or on Saturday from 7:00 to noon. To learn more about Kimble, log on to our website www.kimblecompanies.com. Kimble Recycling & Disposal is pleased to have you as part of our ever growing family of customers.

Sincerely,

Your Kimble Service Team
