If you do not have access to the internet you can mail in your registration for \$3 to:

DMAchoice. Data & Marketing Association P.O. Box 643, Carmel, NY 10512

Dear Village Residents,

Turn your clock BACK on Sunday, March 10, 2019! The Brooklyn Heights Fire Department reminds you to change your smoke detector batteries as you reset your clocks to daylight savings time. The time changes in the fall and spring coincide with recommended battery life in a smoke detector. As part of our ongoing effort to make certain that every village household has a working smoke detector, the fire department will accept any resident's request to have their smoke detector batteries replaced. **More importantly, if you do not have a working smoke detector or if it is ten years old or older, please buy one and we will install it for you.** If you would like to participate in this program, please fill out the form below and drop it in the payment box located to the left of the main entrance of our municipal building or mail it to 345 Tuxedo Ave. BH 44131.

Dear Residents:

Cuyahoga County, in partnership with Baldwin Wallace University, is conducting a poll of county residents. The "Resident Perception Study" is designed to give our county government better insight into the community's understanding and interpretation of our public services.

The survey is intended to help the county be more accountable to the people it serves, in part by helping to understand residents' priorities. This is the first such survey and will provide a benchmark from which to measure success in subsequent years.

They are planning to get feedback from 1,100 residents in the next several weeks – which is an ample sample size that will help ensure the accuracy of the results. The survey takes 15 minutes and participants can win a \$25 Target gift card.

It would be greatly appreciated if you could participate in the survey. This is an opportunity for Cuyahoga County residents to have direct input about their government. Every voice matters and we encourage you to participate if you get a call. They are eager to hear from you! Responses are anonymous.

It's your chance to weigh in. Let Cuyahoga County know what's working for you and what's not!

Sincerely,

mayor mike
