**BREEZE DEADLINE MARCH 21 BY 4 P.M.
NEXT ISSUE OF BREEZE MARCH 30**

2012 SCHOLARSHIP WINNERS TURN IN YOUR GRADES, GET A CHECK. (IT'S THAT SIMPLE)

Attention all 2012 Brooklyn Heights Men's Service Club winners. It's time to turn in your first semester or first quarter grades and redeem your \$500 scholarship.

There are several ways to do this, and all of them are simple and relatively painless.

1. Mail John Black a copy of your grades to 5178 West 5th Street, Brooklyn Heights., OH 44131.
2. E-mail John Black a copy (PDF's recommended) of your grades at blackjo29@gmail.com. Please label the e-mail "BH Men's Club Scholarship Grade Submission."
3. Please note - whatever you provide must show the name, logo or seal of the university, college or training school you attend. Please do not send instructions on how we can obtain your grades from a website or ask us to go to a web address. Doing so will only delay your check. Checks will only be made out to the individual scholarship recipient.
4. Questions, call John Black at 216-374-4518 or Tim Clymer at 749-4300.

NOTICE OF COUNCIL MEETING

Next Council meeting will be held Tuesday, **April 2** at 7:30 P.M. in the COUNCIL CHAMBERS of the Municipal Center, 345 Tuxedo Ave., Brooklyn Heights, Ohio 44131.

INVEST IN HOME SECURITY: SAFETY TIPS

- If you've just moved into a new house, rekey the locks & consider whether you need to upgrade to a high security lock.
- Whenever possible, purchase keys that are protected against unauthorized duplication.

CHECK THE DOORS

Locks aren't as effective if they're on flimsy doors.

- Make sure all exterior doors & frames are solid wood or metal.
- Doors should fit tightly in their frames, with hinge pins on the inside.
- Install a peephole or wide-angle viewer in all entry doors, so you can see who is outside without opening the door. Door chains are not a security device—they break easily & won't keep out an intruder.

CHECK THE OUTSIDE

To discourage burglars from selecting your home as their target of opportunity, make sure to

- Prune back shrubbery that hides doors or windows. Cut back tree limbs that could help a thief climb into windows.
- Light porches, entrances, & yards- front & back. Consider timers that turn on outside lights or install motion detectors.
- Keep your yard well-maintained. Store ladders & tools inside your locked garage, basement, or storage shed when you're not using them.
- Clearly display your house number so police & other emergency vehicles can find your home quickly.
- Help the neighborhood stay in good shape. Dark alleys, broken street lights, abandoned cars, vacant buildings, graffiti, litter, & run-down areas attract crime. Work with the local government and neighbors to organize community clean-up days.
- Put lights & a radio on timers to create the illusion that someone is at home when you go away. Leave shades, blinds, & curtains in normal positions. Stop the mail & news-papers, or ask a neighbor to take them in.
- Update your home inventory, listing things like electronic & sports equipment & computers. Take photos or make videos of items, list descriptions & serial numbers. Check with law enforcement about Operation Identification-

engraving your valuables. If your home is burglarized, this can help identify stolen items & make insurance claims easier to file.

BURGLARS CAN TAKE MORE THAN YOUR PROPERTY

Burglars generally don't want to run into their victims. But if they're surprised by someone coming home or pick a home that's occupied, someone may get hurt.

- If you see a screen slit, a window broken, or a door ajar, don't go in. Call the police from a neighbor's house or a public phone.
- If you hear a noise in the night that sounds like someone breaking in or moving around, call the police & wait for them to come. If you can leave safely, do so. Otherwise lock yourself in a room or, if the intruder is in the room, pretend to be asleep.
- Think carefully before buying a firearm for protection. Guns can be stolen & sold to anyone, or captured & used on you or the police. If you do own a gun, lock it up & learn how to use it safely.

CHECK THE LOCKS

In almost half of all residential burglaries, thieves walk in through an unlocked door or crawl through an unlocked window.

- Make sure every external door has at least a 1" bolt & can provide protection against picking, drilling, & other forms of physical attack.
- Secure sliding glass doors with commercially available locks or with a broomstick or wooden dowel in the track to jam the door against intruders. Insert a pin in a hole drilled in the sliding door frame that goes through the fixed frame to prevent anyone from lifting the door off its track.
- Secure double-hung windows by sliding a bolt or nail through a hole drilled at a downward angle in each top corner of the inside sash and part way through the outside sash. Secure basement windows as well.
- Don't hide keys in mailboxes, planters, or under doormats. Give an extra key to a neighbor you can trust.

Pre-Kindergarten Student Registration 2013-2014 for Cuyahoga Heights Schools

Student registration for the Cuyahoga Heights Schools' Pre-Kindergarten Program is now open for the **2013-2014 school year**. Children who will be four years old on or before September 30, 2013 are eligible for the pre-kindergarten program. If you have a child, or know of a child in our school district that is eligible to attend next year, please call the elementary school office at **216-429-5880** to make an appointment for registration. The Pre-Kindergarten program is open only to school district residents (Brooklyn Heights, Cuyahoga Heights & Valley View) and there is **NO CHARGE** for the 2013-2014 school year.

***PLEASE REGISTER ALL STUDENTS IN THE HOUSEHOLD,
EVEN IF TRANSPORTATION IS UNCERTAIN AT THIS TIME.***

A high-quality pre-kindergarten experience is one of the most important opportunities we can give our children. High-quality pre-k helps to develop children's cognitive, social, and emotional skills and sets a positive trajectory for later school success. In fact, research shows that children who participate in high-quality preschool programs demonstrate higher achievement levels in the elementary grades, show greater interest in learning, are less likely to require special education, and are more likely to graduate from high school.

Dear Village Residents,

The Brooklyn Heights Fire Department reminds you to change your smoke detector batteries. The recommended battery life in a smoke detector is approximately 6 months. Smoke detectors are present in 92% of American homes, but nearly one-third doesn't work because they have worn or missing batteries. As part of our ongoing effort to make certain that every village household has a working smoke detector, the fire department will be accepting any resident's request to have their smoke detector batteries replaced. If you would like to participate in this program, please fill out the form below and drop it in the payment box located to the left of the main entrance of our Municipal Center at 345 Tuxedo Ave. We will contact you to schedule a date and time.

Sincerely,
Donna Tesar, Fire Department Administrative Assistant
