

OPERATION MED DROP

The Brooklyn Heights Safety Forces have teamed up to help residents dispose of unwanted and expired prescription and over-the-counter medications.

An Operation Med Drop box has been installed in the lobby of the Brooklyn Heights Municipal Center.

If you have unwanted or expired medications, place them in a clear zip-lock bag and drop them in the box. We will properly dispose of them.

NO NEEDLES OR SYRINGES PLEASE

The purpose of this program is to eliminate these drugs from going into our water supply and to reduce the chances of unwanted prescription medications getting into the wrong hands.
