

We are thrilled to announce the launch of our new registration platform designed with YOU in mind! Our new platform, **MyRec.com**, offers seamless registration for all sports registration, facility and group bus reservations and more! We are launching the site in time for Spring Soccer registration and, moving forward, it will be available for all your registration needs! With state-of-the-art security measures for transactions and a user-friendly interface, signing up will be a breeze! I encourage everyone to visit the site, create a family profile and participate in our community programs! Thank you for being part of our community and enjoy the new platform!

Village of Brooklyn Heights

ACTIVITY GATEWAY

YOU CAN ACCESS THE MYREC SITE FROM OUR VILLAGE WEBSITE OR BY VISITING

www.bhactivitygateway.com

IMPORTANT NOTES:

- All activity registrations, facility reservations and other sign ups require an account to be established first. Families can create an account even if they are not yet registering for an activity!
- When entering your street address, if an address match pops up, **ALWAYS CHOOSE THE SUGGESTED ADDRESS** even if it lists Independence or Cleveland. Your street address will be recognized as a resident. This is due to how the USPS is set up and beyond our reach to change.
- When entering a second adult in a household, they will require their own user name and password.
- If you sign up to be a coach, assistant coach or volunteer, you will receive a link for the mandatory background check from the Recreation Department staff after your account is set up. We value everyone who signs up to coach and/or volunteer to help our teams! The cost of the background check is covered by the Village.
- If you have any questions please call Community Services during business hours @ (216) 739-3702.

SPRING SOCCER REGISTRATION DEADLINE IS MARCH 3rd, however, a registration grace period allows sign up through March 6th with a \$25 late fee. NO REGISTRATIONS WILL BE ACCEPTED AFTER MARCH 6th.

We encourage everyone to utilize the online platform to register but if you do not have computer access, a paper registration form is available online and at the Municipal and Community Services offices.

We hope you enjoy the new MyRec site and we're happy to offer a more streamlined registration and reservation process!
