

Spring Road Reconstruction
Brooklyn Heights, Ohio
April 10th, 2023

This letter contains important information about the construction on your street. Please keep this letter for future reference.

Tri Mor Corporation of Twinsburg has been awarded the contract for the **Spring Road Reconstruction** project. This is a notice of construction letter; the intent of this letter is to notify business and residents in the area that will be affected by the construction of this project. This work will consist of the removal and replacement of existing concrete pavement and aprons on Spring Road from Van Epps Road to the border of Brooklyn Height and Cleveland city limit line. **We anticipate starting this project 04/17/2023.**

This project will start by removing and replacing the roadway and aprons on the west side of Spring Rd. One way traffic will be maintained at all times heading north on Spring Rd. All traffic must head north out of each business driveway towards Hinkley International Pkwy. Throughout the duration of this project, driveway access can become limited.

Additional notices will be distributed throughout the entirety of the project.

We appreciate your cooperation during the process of this project.

On the back side of this notice is a traffic detour plan to better understand the change in traffic

We understand that this project will be disruptive and at times inconvenient to all involved, particularly the local residents. If you have any special needs that we should be aware of, please don't hesitate to contact us. Please know that we will attempt to complete this project as safely and as quickly as possible. The safety of you, your family, and the construction workers is of the utmost concern to us. Please drive **slowly** through the construction zone. *Please keep off the work areas and do not disturb any of the various types of warning devices around the project.*

Both Police and Fire Departments have been notified of this work, and emergency access will be maintained at all times.
